

News explained

by The Matrix

The world as publishers know it.

You've been living in a
dream world, Neo.

The way we've always done it.

Codewords for control.

Publishers don't like to hear this.

What is real?

How do you define real?

Rules can be broken.

Is that air you're breathing now?

You have to let it all go.

Fear. Doubt. Disbelief.

Is he The One?

There is a difference
between knowing the
path and walking it.

Thanks.
